OLD BUSINESS:

- a) **VA Updates:** Mayor Vaughan reported that the completion date is scheduled for late 2026 or early 2027.

David Meiners asked whether the lease agreement with Hagan is still viable to get the Herr Ln. work completed. Michael Allen stated that residents are probably not excited to have the Providence Pointe development of 500 apartments. Mayor Vaughan's preference is to see if the request to the state works out.

NEW BUSINESS: None.

COUNCIL REPORTS:

- a) **Public Safety:** Mayor Vaughan reported that monthly police services are running around 150 hrs. The biggest complaint is speeding. Chief Schroeder indicated that permanently mounted radar signs slow drivers down. Speed humps seem to work better. Mayor Vaughan stated that the Council may want to consider changing the speed hump ordinance from a petition structure to a notice structure giving the Council authority to decide. Attorney John Singler will present some sample ordinances at the next meeting.
- b) **Code Enforcement:** George Stewart has several houses with boats in the driveways and another house with gutters falling off.
- c) **Sanitation:** The sanitation contract expires June 30, 2026. Waste Management has a right to renew clause, but they are never going to renew at the current rate according to the city attorney. The city will have to put the contract out for bid.
- d) **Public Works/Signage:** Michael Allen applied to Metro for a \$100,000 grant to co-fund the extension of the Girard Dr. sidewalk to Crossmoor Ln. This grant has been accepted. Work should take place sometime in June or July of 2026. The paving project for Girard Dr. has been put on hold to coordinate with the sidewalk project.

Several streetlights were reported out as well as a hanging tree over Herr Ln. blocking the light.

- e) **Beautification:** Matt Kempf Landscaping has been planting the new trees through the city's Tree Program.
